Sheep Growing.

As a result of the State Sheep Meeting held in Nashville on April 30, the Food Administration was asked to determine the possibility of retaining within the State every female sheep, old ewe and ewe lamb, that is available. To do this it will be necessary to put on a Sheep Campaign that shall involve the following:

1st. That each County Food Administrator appoint at once the best man for the position of Chairman of this Sheep Campaign in his county. He in turn will appoint one or more sheep representatives in each community of the county and this shall constitute, together with the Food Administrator and the County Agent, the Sheep Campaign Committee of the county.

2nd. Through community meetings the Sheep Campaign should be presented to the people and a complete list made of the sheep raisers who will have sheep and lambs for sale at market price as well as farmers who will agree from a patriotic standpoint to raise a few sheep for meat and wool purposes, together with the number they will undertake to handle.

3rd. If you have dealers in sheep in your county who have already made contracts for the purchase of sheep and lambs there dealers should be seen at once and determine if they will not give up their purchase of ewe lambs and ewes at market prices for breeding purposes.

4th. Mr. A. D. Knox has agreed to act as voluntary representative of the Food Administration to handle this campaign in conjunction with the Division of Extension of the College of Agriculture, University of Tennessee.

Our Government is appealing to the people of the United States to increase their crop of sheep for both meat and wool purposes. Each soldier demands in the neighborhood of 65 pounds of wool per annum, and because of the shortage of transports the wool supply of the sheep growing countries is not available to our armies and our Allies and the obligation rests upon the

United States to increase the wool and meat supply for immediate purposes. This request of our Government should appeal to our people in a manner similar to any other war enterprise or any other war necessity, and I hope that you will regard this in the same light as you have all the other war requests that have come from the war organizations.

An attempt will be made thru the Food Administration and Division of Extension to locate sheep outside of the State if the supply within the State is not sufficient, and rams will also be secured if the supply is not within reach of the sheep raisers. Since the marketing of lambs of Tennessee usually takes place from the 20th of May to the 15th of June it is necessary for your county at the earliest possible moment in order to secure these sheep before they are contracted for or shipped to market. In order to conserve transportation, any sheep available for sale in your county at market prices should be distributed first to farmers within the county who have agreed to purchase sheep, to assist in this war measure.

Faithfully yours,
H. A. MORGAN.

Would like very much to have our Flynn's Lick correspondent on the job again. What hindereth thou anyway Miss correspondent?

Mrs. W. P. Grisham, Mrs. B. F. Cooper, Mrs. Will Cornwell, Mrs. W. C. Williamson, Mrs. Hannah Holleman, and Mrs. Dona Gailbreath, members of the Granville Red Cross Chapter met with the local Red Cross members at the work room Wednesday afternoon.

Ernest and Walter Botts of Whitelyville, Huyl Philpot, Ed Stout and Hubert Lillard of Granville, will leave Gainesboro, Friday May 10, for Camp Jackson, Columbia, S. C. The Botts boys were drafted in Oklahoma, where they have been for several years, but on request were transferred to their home county.

Those who attended the Red Cross meeting at Granville last Sunday, were Messrs John Gore, W. F. Sadler, J. L. McCawley, Shelby Dudley; Mesdames W. T. Garrett, L. B. Anderson, J. L. McCawley, B. L. Quarles, W. F. Sadler; Misses Della Draper, Ada Dudley Mona Sadler. John Gore, and Mrs. Garrett of Gainesboro, and Rev. Van Smith, of Buffalo Valley, made talks in regard to the importance and need of these organizations. 12 or 15 of the citizens pledge themselves to pay \$1 per month to its support.

Clean-Up Campaign.

Every citizen in Gainesboro is asked to join us in the "clean up campaign" which starts Friday, May 10th, and continues until Tuesday May 14th. We hope with your help to have the town looking much better, and in a more sanitary condition. After you once get your premises sanitary, it's an easy matter to keep it that way. Not only will it improve the appearance of the town but it will prevent an outbreak of contagious diseases which is as much to be feared as the Kaiser. Remove the filth and rubbish and tin cans from your premises and clean up the street around them. Let's have a nice clean town this summer. Will you co-operate with us?

Yours for a clean town,
Parent Teachers Association.

GET READY for the Red Cross drive May 20-27.

LOCALS

J. H. Cummins, of the 10th district, was here Monday.

H. P. Allen, a resident of Putnam county, was in the office Tuesday.

The small-pox situation continues to improve. No new cases reported.

George Jones, of Haydenburg, deputy tax assessor, was in town last week.

Mrs. H. P. Loftis, who is suffering from a nervous breakdown, is no better.

G. W. Hampton, who has been seriously ill for several months, is improving slowly.

Garland Jackson, of Blooming-ton route 1, made this office a pleasant visit Monday.

Sam U. Crawford, of Cookeville, agent for the Overland car, was here Saturday.

Jerre Gardenhire and Fred Myers, prominent and wellknown business men of Carthage, were in town last week.

S. B. Anderson, cashier of the Citizens bank, of Cookeville, passed thru Gainesboro Tuesday en route to Celina.

Mrs. Frank Gailbreath has returned from a three weeks visit with relatives in Chattanooga and Nashville.

H. G. Young came in Sunday for a few days stay with his family. He was accompanied by his brother, Bert Young, of Booneville, Ind.

Mrs. G. F. Haile, of Flynn's Lick, passed thru here Saturday enroute to Meagsville to visit her parents, Mr. and Mrs. Marion Harris.

Mrs. Lizzie Howard and family have returned from Kendrick, Col., where she has been engaged in teaching school for some time. They were glad to get home.

The third quarterly conference of the M. E. Church South, will convene at Flynn's Lick, next Sunday May, 12th. Please see that your community is represented at these meetings.

As the Third Liberty Loan drive has just ended with an "over the top" subscription, we must now turn to the Red Cross drive which begins May 20 and continues one week. Jackson county is asked to raise \$3,500.

Garrett Johnson and Carl Cummins of the 11th and 10th districts left Monday for Lexington, Ky., where they will enter the government mechanical school. They will remain there several weeks, and then enter the army service.

J. W. Morgan, of Cookeville, route 7, was a visitor at the Sentinel office last week. He subscribed to the paper for his daughter, Mrs. Martha Warren, of Buffalo Valley, who recently visited at his home.

Rev. O. P. Gentry filled his regular appointment at the M. E. Church Sunday morning. His sermons are interesting and practical, and are the kind the public in general need to hear. As is usually the case there was a very small attendance. Why it is that the people can't give one hour, once a week for worship its hard to understand. The devil and the Kaiser are working here, as well as in Europe. Go to church and Sunday school and it will influence some one else perhaps to follow up. You will feel better every time you go, making the start is the hardest task. Sunday school at both churches every Sunday. Go next Sunday for a change, anyway, you will feel better.

GUILTY CONSCIENCE NOT ALWAYS CAUSE FOR SLEEPLESSNESS

The old saying that it is a guilty conscience that keeps us from sleeping is not always true. Most times it is due to our system being all clogged up with poisons, as is the case this time of year when we have been stuffing ourselves with heavy foods and our liver, kidneys and bowels are all clogged up with impurities. This condition effects our nervous system and we therefore can't sleep.

Miss Valarie Cochran, professional nurse of Nashville, Tenn., said that while she was always skeptical about proprietary remedies, she was so troubled with sleeplessness that nothing the doctors could give her would seem to do her any good till she took Vin Hepatica, the famous vegetable prescription, which so quickly ended her sleeplessness and made her feel so much better that she recommends its use to every one who cannot sleep well. Come in and get a bottle and soon be sleeping like a baby.

Flour To Be Taken Over.

The Federal Food Administration for Tennessee has notified our County Food Administrator that the government is now ready to take over the flour in the county held subject to orders. This will be done as soon as arrangements can be perfected for assembling and shipping.

This is Red Cross "Ren. Week" in Jackson county. Every lady in the county is being asked to contribute a hen, or the price of a hen, to Jackson County Red Cross Chapter. The merchants and poultry dealers have agreed to pay cash for the hens, and its assured that a large sum will be realized from sale of the hens. The money will be used for buying yarn and material for hospital garments, also providing comfort kits for our boys who leave for camp.

A \$2 1/2 gold piece is to be given to the lady who donates the largest hen, and a service flag to the district giving the largest number of hens.

The following ladies are serving as chairman in their district to receive and weigh the hens. 1st. Mrs. Jeff Reeves, 2nd. Mrs. J. V. Pistole, 3rd. Miss Eula Dyeus, 4th. Miss Sallie Gillock, 5th. Miss Winnie Page, 6th. Mrs. C. W. Gentry, 7th. Mrs. Donnie Wheeler, 8th. Miss Lillian Flynn, 9th. Mrs. G. W. Chapman, 10th. Miss Mary Cummins, 11th. Mrs. Hubert Haile and Miss Grace Gailbreath, 12th. Mrs. John Chaffin, 13th. Miss Alice Herod, 14th. Mrs. White Myers, 15th. Miss Clyde Jackson.

NEW GARAGE—I wish to announce to the public that I have opened a garage at my livery stable on the west side of the square. Experienced men in charge who will repair your car and put it in first class shape. Satisfaction guaranteed. When in trouble call Harley Garage on either telephone. Car storage free. If we fail to put your car in excellent running order there will be no charges to pay.—J. H. Harley, Gainesboro, Tenn.

Both Ends Against The Middle

(Producer and Consumer)

The consumer wants to pay a low price for meat.

The farmer wants to get a high price for cattle.

The packer stands between these conflicting demands, and finds it impossible to completely satisfy both. The packer has no control over the prices of live stock or meat, and the most that can be expected of him is that he keep the difference between the two as low as possible. He does this successfully by converting animals into meat and distributing the meat at a minimum of expense, and at a profit too small to be noticeable in the farmer's returns for live stock or in the meat bill of the consumer.

Swift & Company's 1917 transactions in Cattle were as follows:

| | Average Per Head |
|---|------------------|
| Sold Meat to Retailer for | \$68.97 |
| Sold By-products for | 24.09 |
| Total Receipts | 93.06 |
| Paid to Cattle Raiser | 84.45 |
| Balance (not paid to Cattle Raiser) | 8.61 |
| Paid for labor and expenses at Packing House, Freight on Meat, and Cost of operating Branch Distributing houses | 7.32 |
| Remaining in Packer's hands as Returns on investment | \$ 1.29 |

The net profit was \$1.29 per head, or about one-fourth of a cent per pound of beef.

By what other method can the difference between cattle prices and beef prices be made smaller, and how can the conflicting demands of producer and consumer be better satisfied?
